

WINDERMERE
Foundation

*Giving Back to the Community
Together since 1989*

THANK YOU

FOR YOUR SUPPORT OF THE WINDERMERE FOUNDATION!

For the past 31 years, the Windermere Foundation has donated a portion of the proceeds from every home purchased or sold towards supporting low-income and homeless families in our communities.

What started in 1989 as a grassroots foundation serving families in need in Washington State has grown to encompass ten states and has raised over \$41 million for programs and organizations that provide shelter, food, children's programs, emergency assistance, and other services to those who need our help the most.

On behalf of the Windermere Foundation, thank you for your continued support. Because of your generosity we are able to fund eviction prevention, ensure families have enough food to eat, and provide emergency assistance to those in need. Together, we are making a difference in the lives of families in our local communities.

Thank you for being a part of the Windermere Foundation.
