

2021 DONORS & RECIPIENTS

*Giving back to the community
together for 33 years.*

THANK YOU!

For your support of the Windermere Foundation

For the past 33 years, the Windermere Foundation has donated a portion of the proceeds from every home purchased or sold towards supporting low-income and homeless families in our communities.

What started in 1989 as a grassroots foundation serving families in need in Washington State has grown to encompass ten states and has raised over \$46 million for programs and organizations that provide shelter, food, children's programs, emergency assistance, and other services to those who need our help the most.

**Thank you for being a part of
the Windermere Foundation.**

On behalf of the Windermere Foundation, thank you for your continued support. Because of your generosity we are able to fund eviction prevention, ensure families have enough food to eat, and provide emergency assistance to those in need. Together, we are making a difference in the lives of families in our local communities.
